About Mapledurham Playing Fields

Mapledurham Playing Fields are located in Caversham Heights, just off Upper Woodcote Road. While much of the site is given over to sports facilities, there are areas of rough grassland with wild flower margins as well as a regenerated woodland consisting mainly of field maple, elm and oak. An ancient boundary bank is to be found at the woodland edge. In 2010 a community orchard was planted at the site.

The '*Friends of*' was formed in 1999 and since 2002 has been part of Econet.
